Data compiled July 26, 2017.

Data based on GAAP filings.

Analysis limited to the largest 20 US public banks by total assets as of the end of the second quarter of 2017.

^ Total loans and leases figures were unavailable. Figures reflect total gross loans, instead.

* Industry median is based on all active US public banks trading on the Nasdaq, NYSE or NYSE MKT that reported earnings as of July 26. Total gross loan figures were used where total loans and leases figures were unavailable.

YOY = year-over-year; NCOs = net charge-offs; NA = not available; NC = no change
