

Portion of 2016 mortgages written in needy areas (%)

■ All mortgages originated in U.S.

■ Mortgages originated by SoFi Lending Corp.

Data compiled July 20, 2017.

Data based on number of property loans written in census tracts with 2016 Community Reinvestment Act designations.

Loan data is sourced from residential and commercial mortgage deeds and property assessment data gathered from 70% of U.S. counties. Vermont not included due to unavailability of data.

CRA = Community Reinvestment Act
