As of Sept. 5, 2014.

* Excludes American Express Co. and Northern Trust Corp., which filed capital results under Basel III for the quarter ending June 30, 2014. Also excludes thrift holding companies and bank holding companies with a foreign parent.

Ranges are approximate and based on universally applied assumptions regarding deferred tax assets, nonqualifying capital instruments, accumulated other comprehensive income and high-volatility commercial real estate.

Actual results will vary from company to company.

Based on second-quarter 2014 regulatory financials for top-tier BHCs.

Results assume fully phased-in capital rules.
