As of Sept. 17, 2014.

Due to limitations in reporting, the analysis is limited to commercial and savings banks with at least \$1 billion in assets as of June 30, 2014.

* Due to limitations in reporting, total consumer deposits excludes time deposits.

Ticker is based on home country stock exchange.

QOQ change represents the percentage change in balances from March 31 to June 30.

NA = not applicable
